

Montana's Water Resources

September 7, 2010

Continuing Education Course for Realtors and Attorneys
Presented at the 2010 Watershed Symposium
Connecting Communities

Time: 8:00 am —
12:00 pm

Location: Red Lion
Colonial Hotel

Four-Credit Course for Realtors
Two CLE's for Attorneys
Registration Required—\$40

As a landowner's first contact you are in a unique position to shape how your community develops. Learning about Montana's water resources, water rights and floodplains will not only give you a competitive edge in this market but also enable you to share accurate information with your client, empowering your client to make wise land use decisions. This course satisfies four mandatory environmental credits for REALTORS and two CLE credits for attorneys.

You will learn about:

- Watersheds 101
- Landowner Stewardship
- Local water resources
- Floodplains
- Water Rights

Please stay for the rest of the conference as many more dynamic and relevant topics will be covered at the 2010 Watershed Symposium Connecting Communities.

2010 Watershed Symposium

CONNECTING COMMUNITIES

September 7-9th
Red Lion Colonial Hotel in Helena, MT

To register, please visit the www.mtwatersheds.org for online or mail-in registration forms.
